ADULT ABUSE: Speak up, Speak out!!!!

You may know that there's been increasing publicity around the abuse of vulnerable adults - especially following the tragic case of Fiona Pilkington in Leicestershire. Here in East Sussex, as part of a wider campaign prompted by the review of 'No Secrets', (the Government's guidance on safeguarding vulnerable adults) Sussex Social Care are planning a multi-agency advertising campaign for early autumn. The aim is to raise the general public's awareness of the ways vulnerable adults can suffer abuse and how to report it. The 'Speak up, Speak out!' campaign will start with thought provoking posters and leaflets available across the country backed up with a high profile radio ad on Heart fm, car stickers, online case studies and ads on the Stagecoach Rider buses.

Your help is needed to raise awareness in your local area, and to look out for vulnerable adults who might be at risk. It's not just older people, but anyone over 18 who might need support because of a physical or learning disability, mental health issue, or just because they are isolated or lonely. Abuse can be a single or repeated act, and may be:

** physical (hitting or rough handling) ** verbal (shouting or swearing) ** psychological (bullying or intimidating someone) ** neglect (not providing food or heating) ** failure to act (not seeking medical help when needed) ** financial ** or sexual contact which someone has not or cannot consent to. It can be difficult for people to say when they are being abused. They may not realise it is happening, or be too scared to say anything, particularly if the abuser is someone close to them.

For more information about how to help promote the campaign, contact East Sussex County Council's Adult Social Care Communications Team on: ascinformationcommsunit@eastsussex.gov.uk or call 01273 336401

If you are concerned about anybody, you can call Social Care Direct on 0345 60 80 191. Or, if it's an emergency then call 999.

A STICKY BUSINESS!!!

Driving around Eastbourne recently, we have noticed that in some areas where we know there is a Neighbourhood Watch Scheme in place, there is a noticeable absence of the little round Neighbourhood Watch stickers in peoples' windows.

It is easy to mislay them – or perhaps yours has deteriorated and you need a new one. Feedback from those who have displayed their stickers is very much that unwanted callers have definitely become much fewer. Also the local Police welcome the display of these stickers and do everything they can to support Neighbourhood Watch, which is encouraging. So, folks, if your stickers have got lost, or the dog has chewed them up, worry not! - just give your Ward Co-ordinator a ring (details on the back page of this newsletter). Alternatively, call 07733 480858 or e-mail jan.newens@sky.com

These stickers, when clearly displayed, can be worth money to you as your house & contents insurance company SHOULD give you a discount on your premiums when you can prove that you are a member of Neighbourhood Watch.

Reporting Incidents

Generally speaking the standard of our reporting of incidents is still not as good as it might be.

Please always remember the golden rule-

Crime in progress or about to happen—Call 999

Concern or recent incident ---Call 0845 60 70 999

The Neighbourhood Watch Police Support Office (NWPSO) telephone number 01323 414218 should NOT be used to report incidents of criminal activity because-

- a. The desk is only staffed on a voluntary part time basis
- b. The desk officers have no direct access to the Police Control room which records all reported incidents for future reference.
