

Dear Neighbour,

I am writing to invite you to the next meeting of the Roselands Area Neighbourhood Panel. It is to be held on December the 8<sup>th</sup> at 7.30pm in the Bridgemere Centre.

I enclose a brief review of the most recent meeting and hope that you will be able to join us.

Nicola Mason

### **Meeting of the Roselands Area Local Neighbourhood Panel**

**Date: 15<sup>th</sup> September 2010 at 7.30pm**

Present:

PC Louis Thompson  
Sussex Police  
Nicola Mason

Gwen and Geoff Lloyd  
Neil Peters-EBC  
Alison Cairns

Gordon Thow  
Ann Thow

Mr and Mrs Thow kindly allowed us to use their home for the meeting. Please may I take this opportunity to record my thanks for their kindness.

We reviewed the outstanding matters from the last meeting and agreed that we need a proper constitution. Since that meeting Inspector Barrow has mailed me what I hope will be a suitable form of words. I will bring this with me to the next meeting for approval by the members.

Mr Peters from the EBC introduced himself as a new community enforcement officer and we discussed local issues. Mr Peters has my gratitude as, after our discussion, he has managed to arrange a large metal gate on the gap in the bridge over the Horsey Sewer.

I had received an invitation to submit an area as out top local 'Grotspot'. This was a local initiative to try and clean up problem areas within the Borough. I submitted the BT building and the Horsey sewer. I am pleased to report that the BT building has been sold and we can hope that matters move forward. Also, the land alongside the Horsey sewer is to be cleared and made into a cycle track.

At the next meeting I think it would be helpful to review our three areas for concern and see if they need to be amended. Please feel free to air your views.

**Next Meeting-** It was agreed that the next meeting would be held at the Bridgemere Centre at 7.30pm on 8<sup>th</sup> December 2010.
