Bid to reunite suspected stolen jewellery with owner in Eastbourne

Police are trying to identify the owner or owners of these items, which have been recovered from a suspect arrested this week on suspicion of the theft of another item.

It is believed that the items may have been stolen in the Eastbourne area around the beginning of July.

Anyone who recognises the items is asked to report [online](#) or call 101 quoting serial 1355 of 06/07.

Do you have concerns about speeding in your town?

We've attended road safety awareness meetings this week, organised by residents following their concerns, to offer advice to residents on the ways they can report anti-social driving to us

Did you know you can report anti-social driving, including speeding, and mobile phone use whilst driving to us at Operation Crackdown? If you have the vehicle registration number, time and date of the incident please report to [Operationcrackdown.org](https://www.operationcrackdown.org)

Community SpeedWatch (CSW) is also currently recruiting volunteer coordinators and operators in Sussex.

Since opening our volunteering opportunities a few weeks ago, we have had a great intake, there are still a few places left on the district.

If interested, you can join by going to www.communityspeedwatch.org and choosing the group from the drop-down list, then following the on-screen prompts. If you can't find a group listed, you can also register a new group

You can also join as a volunteer community speedwatch member, we're currently looking for members to join across the district, please get in touch by emailing csw@sussex.pnn.police.uk

Sussex Cadets look to their future

This week our Cadets were given a talk from our recruitment team about careers within Sussex Police, looking at all the different roles the Force offers, including Officer roles and Police Staff roles.

Sussex has major cities, ports, rural villages and an international airport. There's a lot of ground to cover. To do it well, we need people from different backgrounds with diverse skills and experience.

Could this be you?
